ALUMINIUM EXTRUSION PVT. LTD.
AN ISO 9001:2015 CERTIFIED COMPANY

GET **SAE-POWERED** WITH YOUR
ALL-IN-ONE SOURCE FOR
ALUMINIUM EXTRUSION
SOLUTION

QUALITY IS THE
ULTIMATE
SOURCE OF SUCCESS

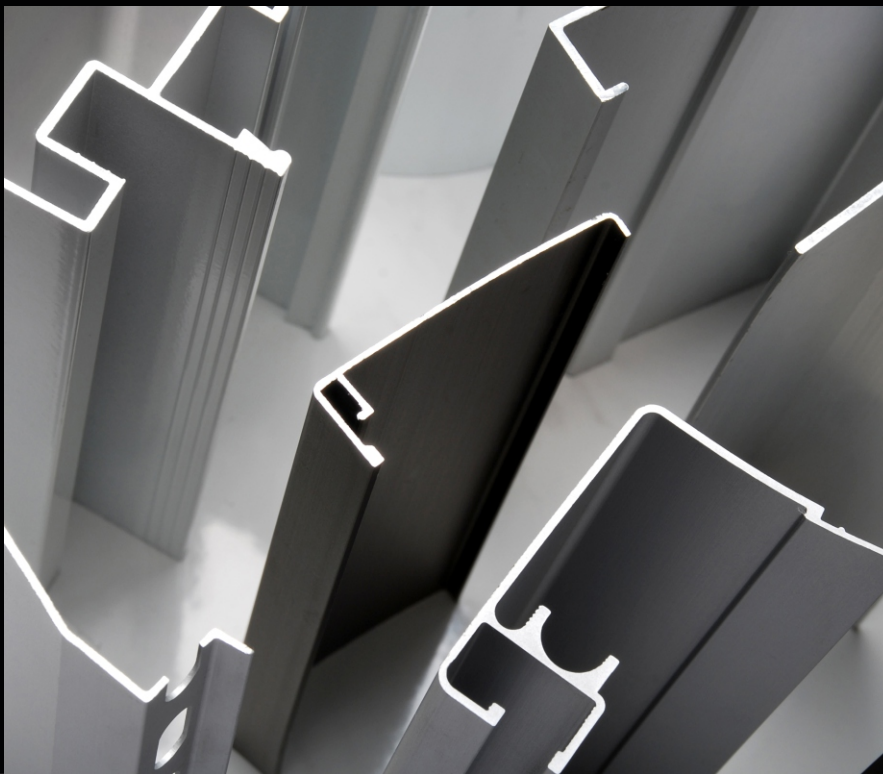

DELIVERING HIGH QUALITY

ABOUT COMPANY

Sagar Aluminium Extrusion has installed most modern extrusion plant of 1000 M.T. capacity and various other modern handling equipments to quality product.

We have in house foundry with modern melting furnace including fully Automatic HOT TOP casting Technology, we are able to produce high refined close grain with has uniform manner & oxide free on extrusion-surface. Raw material and Alloy are checked online using most modern spectrometer by keeping Alloy composition with in very close tolerance and achieving desired mechanical & chemical properties. The dies used in extrusion are made with latest tool room equipment which give us best quality.

WHOLESALE SUPPLIER

Pioneering Wholesale Supplier: Providing premium Aluminium Sections and Profiles for diverse applications.

AFFORDABLE PRICE

With best product and service, You will get the best products in Affordable Prices compared to the world.

WIDE EXPERIENCE

We have skilled Persons that will fill their Experience to build your dream.

CREATIVE DESIGN

Providing best creative design and top notch solutions for the Aluminium Doors and Windows.

QUALITY IS THE
ULTIMATE
SOURCE OF SUCCESS

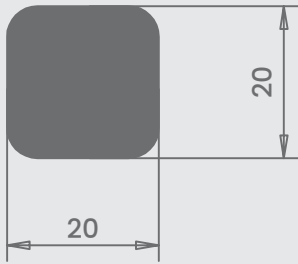

» OUR CORE VALUES

QUALITY & INNOVATION

Our driving forces, ensuring unwavering commitment to superior products and pioneering solutions."
